Pet Registration

Please make sure you register your pet yearly. The form is located on the web

site or you can get from your director

Last year was a trying year and we did all we could for activities. We hope everyone had a great time. We want to congratulate all winners.

Pool Hours are from 9am to Dusk

Building Permits

NO BUILDING PERMITS WILL BE APPROVED until new Deed Restrictions are passed. In the event you decide to build anyway, you must still submit a building permit so that we can give to the county. Reminder building before the Deed Restrictions are passed may result in a lot assessment and/or you may be required to tear down the structure.

With the fire we are working with the insurance company to quickly assess and to inventory everything so that we can get it replaced. This is a time consuming task Sherry and Mark as well as some volunteers

are doing all they can to make sure we replace all that was lost.

The 1st leaf pick up will be May 29th in the event this is delayed due to the fire we will post on the board down front and on Facebook and our Web page.
